In 2018, SINOSURE made solid progress in poverty alleviation in targeted areas. We kept appointing seconded cadres to Huoqiu County, Anhui Province and Yugan County, Jiangxi Province, and assigned relief fund of RMB22.236 million to the two counties, representing an increase of 32.3%. The funding for poverty alleviation was mainly used for poverty alleviation through education covering more than 30000 primary students and junior secondary students in poverty, while rewarding outstanding university students and senior secondary students and providing assistance to disabled children. In addition, SINOSURE provided training on poverty alleviation through education and work skills to 858 members of the “three supports team” and households in poverty. We adjusted measures of development according to the local conditions, promoting the construction of poverty alleviation e-commerce platform in Huoqiu County, pushing forward the market of green agricultural products, and developing base visits and farm experience. In Yugan County, we supported in poverty alleviation through mushroom plantation, establishing a “capital + poor household + cooperative + enterprise” industry model and yielded fruitful results. SINOSURE implemented preferential policy on export credit insurance for the targeted areas of poverty alleviation by stepping up its support for the foreign trade enterprises in poor counties. In 2018, the aggregate exports of agricultural products underwritten in the targeted areas of poverty alleviation amounted to USD1.8 billion.

2018年，中国信保与安徽霍邱县联合开展贫困地区青少年系列帮扶活动。组织举办“启志新时代 信保助你行”青少年夏令营，来自霍邱县宋店乡的15名贫困学生来京参观学习交流；探索开展“点亮微心愿 实现大梦想”公益扶贫捐赠活动，帮助霍邱县4所小学50个贫困学生实现了“小心愿”，通过帮扶活动，同学们开阔了视野、增长了见识，坚定了刻苦学习、成长成才的信心和决心。

In 2018, SINOSURE jointly worked with Huoqiu County of Anhui Province to launch a series of youth support activities in poor areas. One was a youth summer camp, “SINOSURE: Together with You in the New Era of Inspiration”, which invited 15 students from poor families of Songdian Township, Huoqiu County to Beijing for exchange; the other was a donation program for poverty alleviation, “From Little Wishes to Big Dreams”, which helped 50 students from four primary schools in Huoqiu County to achieve their “little wishes”. Through these activities, students broadened their vision, opened their mind and strengthened their confidence and resolve to study hard, grow up and flourish.
